2. Dah-di-dah-dit dah-dah-di-dah
Dah-di-dah dit dah-dah-di-dah
Whaddya hear over the air:
CQ Serenade

Amateurs on the radio
Picked it up and then made it grow,
Spread it around, swelling the sound
Of CQ Serenade

From India a call to the U.S.A.:
I'm reading you, you're coming through fine;
From Canada to France and the Old U.K.

For when it comes to radio the world's one great big party line

Tune in anywhere on the band
Any corner of any land
Let's « put it there » right on the air
With CQ Serenade

3. Dah-di-dah-dit dah-dah-di-dah
Makes a fellow feel « lah-dee-dah »
When he unbends, making new friends
With CQ Serenade

Clap your hands, pal, and tap your feet
Till we all dig the friendly beat,
Till all you hear over the air
Is CQ Serenade

It really doesn't matter at all-CQ-
How smooth you make the signals combine;
And anyone can answer the call-CQ-

Just make with the receiver and get on the CQ party line.

Take your cue from the radio
Even « beatniks » go « do dee do »
It's everywhere, filling the air
That CQ Serenade.

2. Que vous soyez russe ou français,
Américain ou bien anglais,
C'est la même chose quand on s'appelle :
C-Q Sérénade
On se comprend dans l'monde entier
Sans aucune difficulté,
Dans toutes les langues,
Tout l'monde s'arrange,
C'est le même refrain.

L'amour de la T.S.F. est pour nous sacré,
Il ne faudrait pas essayer de nous l'enl'ver.
Si tous les pays faisaient comme les amateurs,
Ça serait un véritable bonheur.

Si dans le monde tous les gars
Disaient comme nous : Dah-dah-di-dah,
On s'rait heureux comme des rois,
On n'aurait plus d'tracas.

3. CODA
Plus besoin d'la bombe atomique !
Ça s'rait curieux, ça s'rait comique,
Les présidents, les dictateurs
Chant'raient tous en chœur:
Dah-di-dah-dit dah-dah-di-dah,
Dah-di-dah-dit dah-dah-di-dah,
Ah! quel bonheur d'chanter en chœur:
C-Q Sérénade.
